THE AVTECH ADVANTAGE

ABOUT US:

AVTECH was founded in 1998 with a mission of delivering professional training to our clients. In the years since, AVTECH has partnered with an extensive list of corporations and professional individuals. AVTECH is a licensed training provider for the N.J. Department of Education also an authorized N.J. Veteran's Affairs Training Institution and a state certified license practical nurse training institute. As a PMI-authorized training facility, AVTECH provides Project Management training to professionals with a 90% certification success rate. AVTECH is a certified Minority Owned Business (MBE) registered with the N.J. Commerce & Economic Growth Commission. We provide exceptional instructor-led, hands-on training, have multiple locations throughout the state of N.J. and we strive to stay ahead in a constantly changing instructional landscape.

CAREER BASED TRAINING

AVTECH is a leader in providing customized training solutions for the N.J. Department of Labor and Workforce Development. AVTECH is comprised of dedicated professionals whom we view as a key resource in serving to educate the business community. We consider our role in career training to be one of facilitation, where the skills of the individual student are elevated through not only classroom instruction but also, the professional insight of the trainers. Additionally, AVTECH employs a full-time Job Placement Director.

JOB PLACEMENT SERVICES

AVTECH Institute of Technology takes a proactive approach in the job placement of its students and alumni. The mission of the Office of Career Placement Services is to help students clarify their educational and career goals, as well as acquire the skills necessary to gain their desired employment. Our efforts to partner with a variety of employers and staffing agencies are an on-going process. The core strength of our work in this arena comes from the open communications we maintain with our students past and present.

Our full-time Job Placement Director works with individual students in creating effective resumes, or revising existing documents, imparting interview skills through mock interviews and classroom discussion. AVTECH actively hosts job fairs and employer presentations at all of its facilities. Our job placement department maintains an open-door policy-something we encourage all of our students to take full advantage of.

TEST RESULTS

Proof of AVTECH's level of quality as a leader in knowledge transfer can be seen in the results of our students in passing vendor-specific certification exams. The statistics are:
• A 95% pass rate for Project Management (PMI) certification
• 90% pass rate for Cisco CCNA
• A 100% pass rate for Cisco CCIE
• 87% of our students in Cisco's CCNP curriculum pass the certification
• 85% to 88% of the students taking Microsoft's MCSE certification pass the exam
